*Final (14 January 2026)*

**PURPOSE:** ScoutReach Cultural Day Activities is a Scouting America Greater Alabama Council annual event that encourages all Scouts and Leaders to explore and better understand some of the differences and similarities of the many cultural heritages of our great nation. It allows for a demonstration of the many various cultural activities that abound around the world. It also affords the boys an opportunity to complete some Scouts BSA rank advancement requirements and merit badges.

## **CONCEPT OF OPERATION**

**ALL ACTIVITIES WILL TAKE PLACE IN OR BE INITIATED FROM THE T. M. ELMORE GYMNASIUM ON THE CAMPUS OF AAMU**

- Registration and check-in for all Scouts will begin at 7:00 am in the foyers of the T. M. Elmore Gym (Building 63).
- **Since we will have young ladies attending, whether in Cub Scouts or Scouts BSA for any girls in an all-girls troop. It is imperative that we adhere to the new Youth Protection Policy for adult female participation.**
- The Opening Ceremony is from 8:00am to 8:30am.
- **Morning Cub Scout and WEBELOS activities** will begin in the Gym from 8:45am and end at 11:00am. At 1:00pm all Cubs and Webelos should return to the gym to participate in the international cultural day activities fair.
- **Scouts BSA classes begin at 8:45 am in classrooms in various locations across the Alabama A&M Campus, including Elmore Gym, Morrison Building, and the Executive Airport in Meridianville.** Most will continue until 12:00 noon. American Cultures, American Heritage, and Entrepreneurship are the only Merit Badges offered in the afternoon as stand-alone MBs. Citizenship in Society is an all-day MB.
- **LUNCH** will be served in the West Campus Cafeteria
  - Cub Scouts will eat Lunch from 11:00am to 12:00 noon
  - Scouts BSA will eat Lunch from 12:00 noon to 1:00pm
- Between 11:30am and 1:00pm, all cultural and civic groups will set up their demonstrations, displays and exhibitions in the Gym and outside.
- **At 1:00pm, Cub Scouts are to report to the main floor of the Gym to participate in the International Cultural Activities Day Fair. Scouts BSA will report starting at 1:15pm.** This includes displays and demonstrations by civic and cultural groups as well as cultural dances. Scouts BSA may also initiate the work required for the American Cultures Merit Badge.
- **Afternoon merit classes (in addition to American Cultures)** will be offered again this year. We will also have the American Heritage and Entrepreneurship MBs offered (additional requirements for those MBs are described later). Since the focus of the day is Cultures, request scouts have previously completed American Cultures to sign up for other afternoon MBs. During breaks of these additional MBs, scouts will have the opportunity to walk the floor to visit the Cultural Displays scheduled for this year. Citizenship in Society is one exception, given it will be taught as an all-day MB.
- **The closing will be at 3:15pm.** This will consist of the leaders retrieving their unit packets from the registrar, accountability of all Scouts, attendance at the raffle, and dismissal at **3:30pm**.

## REGISTRATION

The Registration fee is \$15.00 for the first scout in the family and \$10.00 for the second or more scouts within the same family. The fee covers facility costs, lunch and patch. Adults and non-scout family members cost is \$10.00 if they want to eat lunch. Here are some important points:

- ☐ Registration is open as of January 13, 2026. This year, registration will again be completed using Tentaroo, the same method that units sign up for summer camp. This method will allow for better accuracy of registration, to include restricting registration for a MB that has reached its maximum limit for class size. Registration ends at 5:00pm on Wednesday, February 18, 2026. This allows a day to get the rosters printed out from Council, and to the registration committee prior to the event. The link for registration is the following:  
<https://gac.tentaroo.com/admin2/events/4480/35692/ScoutReach-Cultural-Day>.
- ☐ Please note that once registered, there will be **no refunds** available if one cannot attend, although substitutions may be possible on the day of registration.
- ☐ ***Pre-registration is highly encouraged.*** Event leaders and MB Counselors need attendance information to plan morning activities and the lunch estimates. **Registration at the door is still \$15.00 per person, but late registration will likely result in desired merit badge classes not being available.**
- ☐ Scouts may also register at the door; however, they may only select merit badges classes that still have open slots.
- ☐ All participants must check in with Registration in the foyer of the T.M. Elmore Gym between 7:00am – 8:00am to receive class assignments and meal tickets.
- ☐ There will be two registration lines for Scouts BSA the morning of the event: one for check-in for all pre-registered scouts and one for new registrations. There will be separate registration tables for Cub Scouts in the gym foyer.

Opening ceremonies for the ScoutReach Cultural Activities Day will begin inside the Gym at 8:00am. ***Please come early and allow time to finalize registration so you can participate in the Opening Ceremony!***

## Scouts BSA Merit Badge Classes

Most merit badge classes are scheduled from 8:30am until 12:00pm on Saturday morning, except American Cultures which will begin at 12:30pm with a mandatory orientation session at the Elmore Gym registration area. Most classes will be limited to 15 to 20 Scouts due to classroom space limitations. Requirements for all merit badges may be found in the current edition of the Scouts BSA Requirements pamphlet. Since completed merit badge requirements will be shown in Tentaroo, and leaders will be able to print out blue cards from their Tentaroo account, there is no need for scouts to have blue cards with them.

**\*\* Citizenship in Society will be an all-day MB. Due to the nature of the requirements, it will be taught in small group. Two adult counselors are planned per group.**

\*\*\* American Heritage and Entrepreneurship MB Classes (Scout must have **previously completed** American Cultures MB to register for afternoon MB. A Scout is Trustworthy!)

***Classroom assignments and first period reporting instructions will be provided at registration and again at the end of the Opening Ceremony.***

**Merit Badge Requirements:** It is important that Scouts and leaders review the requirements for each merit badge and completion procedures for partially completed badge requirements. Not all requirements can be completed for many badges. Special instructions for certain badges follow:

**American Cultures (class size unlimited):** This merit badge is offered in the afternoon and requires the Scout's full participation in the Cultural Fair (1:00pm to 3:00pm). It is conducted under the supervision of MB instructors and Scout leaders. All requirements can be completed on site except #5, but the scout needs to check in and meet with the counselor after visiting the booths to get credit for requirements 1-4. **Do not just leave.**

**American Heritage (Class size 10 max):** Requirement 1 can be completed in class. The other requirements can be completed if the scout does research on them before class and prepares a response in advance to discuss during class.

**Aviation (Class size 20 max):** For 2026, the Aviation Merit Badge is again offered by Saving Our Flying Heritage (SOFH). It includes classroom and hands-on aviation training. The center point of the hands-on training will be a US Army, Vietnam-era Cessna 305D, mostly known as an O1 or L-19 Birdog. The class is **limited to 20 Scouts** and is scheduled to start at the **Huntsville Executive Airport in Meridianville (in the Flight Center Conference Room)** at 8:30am and end at 3:00pm. See attached map for detailed directions. Scouts **must** pre-register and should meet at the Airport classroom at 8:30am. Parents are expected to provide transportation to and from this event. **Lunch will be provided at the airport.** All requirements **except 3** will be completed during the class. Requirement 3 (either 'a' or 'b') needs to be completed outside the event, whether before or after the event.

**Citizenship in Community (Class size 20 max):** Only requirements 1, 2, 4a, 6, and 7a/b will be completed during the class. All other requirements (3, 4b/c, 5, 7c, and 8) will be discussed during class, but need to be completed outside the event due to the nature of the requirement.

**Citizenship in Nation (Class size 20 max):** All requirements except number 8 will be completed during the class. Requirement 8 needs to be completed outside the event; although if the Scout writes his Congressperson or Senator (per the requirement) and brings the letter and the response to the class, they will get fully signed off then.

**Citizenship in Society (Class size 20 max):** **These instructions are critical:** Requirement 1 is mandatory to complete before class as it forms the foundation for the rest of the merit badge. Scoutmasters – make sure your scouts and parents understand this requirement. **They must come to the session with that work done. Period. It doesn't take long, but the requirement is clear.**

Requirements 2, 7, and 8 require some research and may result in being left as a partial. All other requirements can likely be completed, depending on preparation and contributions from the scouts. These include: 1 (if research completed prior to class), 3, 4, 5, 6 (in pairs), 9, 10, and 11. Please understand that the small group discussions during this class may be very sensitive in nature and may make some scouts feel a little uneasy to discuss. As such, there will be ground rules established by the counselors around respect and trust. The counselors will ensure a safe environment, and monitor that it stays that way, since it is critical to allow scouts to open up and talk about their challenges in a non-threatening environment.

**Citizenship in World (Class size 20 max):** Only requirements 1, 2, 3, and 5 will be completed during the class. Requirement 7e can be completed by visiting the cultural displays in the gym that afternoon. All other requirements need to be completed outside the event.

**Communications (Class size 20 max):** Only requirements 1c/d, 2, 3, 6 (start), and 9 will be completed during the class. All other requirements (1a/b, 4, 5, 6 (completion), 7, and 8) will be discussed during class but need to be completed outside the event due to the nature of the requirement.

**Crime Prevention (Class size 20 max) – Taught between 10:30am – 12:00am:** This class will be taken during the morning session as can be conducted back-to-back with the Fingerprinting MB – if the scout needs both. Scouts will need to sign up for both classes. The troop must plan for proper supervision if Scouts are not in a classroom. Only requirements 1, 3, 6a, 8, and 9 will be taught during the class. All other requirements need to be completed outside the event.

**Entrepreneurship (Class size 20 max):** Requirements 1, 2, and 4 can be completed in class. The other requirements can be completed if the scout does research on them before class and prepares a response in advance to discuss during class.

**Fingerprinting (Class size 20 max) – Taught between 8:40am – 10:30am:** This class will be taken during the morning session as can be conducted back-to-back with the Crime Prevention MB – if the scout needs both. Scouts will need to sign up for each class, if they desire to complete both. The troop must plan for proper supervision if Scouts are not in a classroom. Fingerprinting MB can be completed on this day if the Scout passes a written test.

**First Aid (Class size 20 max):** The specific requirements that can be completed in class are currently TBD, as it has been several years since the First Aid MB was taught during Cultural Day. Key for scouts is that they should review requirements ahead of time and “Be Prepared” to discuss or demonstrate what can be reasonably completed during a 3-1/2 hour period of instruction.

**LUNCH: The price of lunch is included in the registration fee.** If you are not registered and wish to eat you must purchase a Lunch ticket in the Registration Area. Lunch will be served in the Ernest Knight West Campus Living and Learning Complex Cafeteria (Building 63) between 12:00am and 1:00pm. You must have a lunch ticket to be served.

**DISPLAYS AND DEMONSTRATIONS:** The Cultural Day Fair provides an opportunity and encourages a better understanding of the differences and similarities of the many culture heritages of our great nation. Organizations representing the following Cultures are invited to the Fair: **Australia – Panama – Poland – Romania – Scotland – Thailand – Ukraine – Vietnam (note: list is subject to change)**. However, this list may change based on schedule availability.

Note that the afternoon Cultural display sessions are **Free and Open to the Public**, so please let your neighbors know.

**SECURITY AND SAFETY:** The Campus Police Chief has requested that all Scouts and Scouters utilize only the overpass when crossing Meridian Street. All Youth must be accompanied by an Adult Leader. There will be monitors stationed in the bathrooms to ensure safety and proper conduct while utilizing the washroom facilities.

**CLOSING ASSEMBLY:** Scoutmasters and Cubmasters should pick up Merit Badge requirements and Activity forms respectively, if available. Colors are to be retired, closing remarks made, and clean-up completed.
